About IIRM

IIRM, promoted by IRDAI and Govt. of Telangana, Approved by AICTE, has been in existence for over a decade and is mandated to deliver excellence in education that meets the changing needs of the fast growing Industry and Economy at large.

IIRM is one of its kind in the world (Promoted by the Regulator in the country). The Institute has been in the field of Education since 2002 imparting knowledge and skills to students aspiring for careers in Financial services, focusing on Insurance and other allied sectors.

IIRM launched new initiatives in 2015 offering a Two - year PG Diploma in Management, with a combination of electives. They offer opportunities to candidates to occupy managerial positions in the areas of Finance, Financial Services, Insurance, Risk Management, Analytics, Actuarial Science etc. These courses are reviewed by our Academic Governing Council which consists of experts the industry.

IRDAI

Insurance Regulatory and Development Authority of India constituted by an Act of Parliament, is a Promoter of IIRM.

IIRM - The Ultimate destination

Objective - To chisel students meet the gap of academia and corporate employment.

Impart knowledge and in depth understanding of subjects.

Develop both Technical & Analytical skills.

Modules are well planned in the context of knowledge based on Economic / Corporate Business world. The Teaching content is drawn from various countries, taking into account sector specific needs.

Starting with strong grounding on fundamentals, leading to developing entrepreneurship & leadership, an array of specializations allow students freedom of choice, in areas of their interest, to further their career.

Pedagogy : The course is so designed to give extensive learning support to level out heterogeneity of learning.

Many modern methods are applied to improve and integrate knowledge and skill set

Richly experienced faculty encourage creativity inquisitiveness and responsibility for continuous learning and professional development.

IIRM's educational inputs are overseen by a strong academic governing council which consist of experts / CEOs of various companies.

Courses in Insurance are accredited by CII, London

CLASSROOMS & LIBRARY

The Institute has well-furnished conference halls and classrooms. The Institute also has modern audio-visual equipment, which caters to the needs of the students and the participants for their class room work, conferences, training programs and seminars.

Library is an excellent Learning Resource Center for students and faculty. Users can access Books / Journals / real-time Case Studies. It offers a range of information services to support the learning process set to the highest professional standards. The place is stocked with national and international journals.

IT LAB

Computer Centre is well equipped with a state-of-art Local Area Network (LAN), providing multi-user environment & terminals on a windows platform. Facilities include contemporary packages like Microsoft Office Productivity Tools (Excel, Access, SPSS, etc.). Students of Analytics are imparted, skills in Statistical & Analytics software packages enabling them to know R, TABLEAU, PYTHON, HADOOP etc.

HOSTEL AND MESS

The Institute has separate Hostel Facilities for boys and girls. The rooms are provided on Triple sharing basis. The facilities provided include laundry, Wi-Fi and Gymnasium for the boys and girls.

The mess of the institute is spacious and equipped with comfortable dining furniture. It provides hygienic and nutritious food to the students. The students decide the weekly menu according to which meals are prepared and served. Mess staff is conscious about the cleanliness and quality of food in a hygienic manner.

Careers and Placements : IIRM facilitates placements. Nevertheless it is a student focused process. The choice of specializations, being enormous and industry oriented automatically prepares students for the contemporary prerequisites of the arcade. The obligation of the institute does not end after preparing its students with the necessary skills & knowledge. The institute accomplishes to place its students in the best of the industries.

Students at IIRM take up the tasks as Corporate Strategy Planners, Finance Analysts, Market Analysts, Finance Management Experts, Wealth Management Experts, Business Analysts etc., apart from other regular middle management positions.

Some of Our Recruiters

Alumni Testimonials ...

Shiva Charan
PGDM(2016-18) - Placed in IBM

My two years of education at IIRM will remain as a memorable experience for the rest of the Life. The curriculum helped me lot to develop my communication skills and my knowledge in many fields. The institute provided opportunities to

develop the various skills required by the students to face the competitive world in their future. I express my sincere thanks to the faculty members and the management who put in lot of efforts throughout the course.

Shanmathi S
PGDM (2016-18)-Placed in Orient Insurance-Dubai

Throughout my two years at IIRM, I had countless opportunities to develop my overall management skills and knowledge. The Institute has a positive environment, which made it easy for me to adapt quickly. The Institute also takes immense efforts in improving the theoretical knowledge it offers

to the students. My internship had given me 'on-field' experience on the Insurance Industry which helped me to broaden my horizon. I would like to sincerely thank all my faculty for the support and encouragement they had given me.
